

The diagram shows a large, curved, fan-shaped template for a quilt block. It consists of two concentric, curved lines forming a wide, shallow wedge. The outer curve is a solid black line, and the inner curve is a lighter gray line. There are two small tick marks on each curve, one near the top and one near the bottom. The template is positioned within a larger rectangular frame that has a small notch at the top-left and bottom-right corners. Text labels are placed inside the template area.
